Why Choose a GoTofino Web Page?

Your own stand-alone web page for your customers!

GoTofino Exclusive Web Page Advertising gives your business the robust internet presence that builds success. Take advantage of our powerful internet traffic and strong readership by having your web page a part of GoTofino.

With a **Full Web Page** you create an attractive page of colourful photos, several paragraphs of description, a features list, a contact/reservation form and all your contact information.

Great for businesses who don't want to the hassle of domain registration and monthly hosting charges

All this can be accessed easily online with your own GoTofino web address - ***YourBusiness.GoTofino.com***. Print it on your business cards and brochures and give it out over the phone to interested customers. Being part of our website means that you don't have to do all your own internet marketing – it's built-in! You can take advantage of the already high search engine ranking of GoTofino.

And we don't stop there! Also included are...

A **Map Link** displays your business location on one of our comprehensive maps so visitors will know exactly where to find you. They can link to the map right from your listing and from the map link directly to your Photo Page.

GoTofino Web Page only \$385/year + gst
